Hiring Manager
City & County of San Francisco - SFDPH Public Health Laboratories
SF Public Health Laboratories (SFDPH), San Francisco (duty station per posting; HQ 101 Grove St)

Dear Hiring Manager,

I am excited to apply for the Microbiologist I/II (Class 2463) - Diagnostic micro testing (LICENSED track - plan-ahead entry) at City & County of San Francisco - SFDPH Public Health Laboratories in San Francisco. I hold a B.S. in Chemistry from UC Santa Cruz (2011) with hands-on experience in Aseptic technique, QC, documentation, lab safety - plus a plan to earn the CA PHM certificate.

Your posting emphasizes B.S. with microbiology major AND valid CA Public Health Microbiologist certificate (state board).. My background directly aligns: at Threshold Pharmaceuticals I synthesized and purified organic compounds using NMR and HPLC; at MicroConstants I performed sample extraction, chromatography, and spectroscopic analysis; at Quintara Biosciences I followed GLP for sample preparation, data recording, QC, and equipment maintenance. I also have a publication in ACS Journal of Medicinal Chemistry (Feb 2011).

I live at 21st Ave & Judah St in the Inner Sunset and commute via N Judah Muni and SFMTA buses. Your location at SF Public Health Laboratories (SFDPH), San Francisco (duty station per posting; HQ 101 Grove St) is accessible via ZONE C - Civic Center corridor: N Judah eastbound to Civic Center -> short walk to SFDPH lab facilities. ~30-40 min.. I have verified your official careers portal at <https://careers.sf.gov/classifications/?classCode=2463> and will apply directly via <https://careers.sf.gov> - Search '2463' or 'Microbiologist' on careers.sf.gov; plan the CA PHM certificate path first.

My property management experience has strengthened my organizational, budget tracking, and compliance skills - valuable for lab inventory, documentation, and safety protocols. I am detail-oriented, collaborative, and eager to contribute to your team.

Thank you for considering my application. I would welcome the opportunity to discuss how my background in Aseptic technique, QC, documentation, lab safety - plus a plan to earn the CA PHM certificate can support City & County of San Francisco - SFDPH Public Health Laboratories. I am available for an interview at your convenience and can be reached at (707) 596-8503 or Brian.j1274@gmail.com.

Sincerely,
Brian
