Sutter Health - CPMC Research Institute (CPMCRI)
475 Brannan Street, Suite 130, San Francisco, CA 94107 (SoMa)

Dear Hiring Manager,

I am excited to apply for the Research Associate / Study Coordinator, lab track - Specimen processing, regulatory docs, QC records at Sutter Health - CPMC Research Institute (CPMCRI) in San Francisco. I hold a B.S. in Chemistry from UC Santa Cruz (2011) with hands-on experience in Specimen processing, QC documentation, regulatory records, data entry, GLP.

Your posting emphasizes B.S. life science; sample processing, regulatory documents, data entry; clinical-research interest.. My background directly aligns: at Threshold Pharmaceuticals I synthesized and purified organic compounds using NMR and HPLC; at MicroConstants I performed sample extraction, chromatography, and spectroscopic analysis; at Quintara Biosciences I followed GLP for sample preparation, data recording, QC, and equipment maintenance. I also have a publication in ACS Journal of Medicinal Chemistry (Feb 2011).

I live at 21st Ave & Judah St in the Inner Sunset and commute via N Judah Muni and SFMTA buses. Your location at 475 Brannan Street, Suite 130, San Francisco, CA 94107 (SoMa) is accessible via ZONE B/C - N Judah eastbound to Embarcadero -> walk south ~15 min or Muni bus to Brannan St. ~35-45 min.. I have verified your official careers portal at <https://www.sutterhealth.org/research/> and will apply directly via <https://jobs.sutterhealth.org/us/en> - Search 'Research' + San Francisco / CPMC Research Institute on jobs.sutterhealth.org.

My property management experience has strengthened my organizational, budget tracking, and compliance skills - valuable for lab inventory, documentation, and safety protocols. I am detail-oriented, collaborative, and eager to contribute to your team.

Thank you for considering my application. I would welcome the opportunity to discuss how my background in Specimen processing, QC documentation, regulatory records, data entry, GLP can support Sutter Health - CPMC Research Institute (CPMCRI). I am available for an interview at your convenience and can be reached at (707) 596-8503 or Brian.j1274@gmail.com.

Sincerely,
Brian
