Hiring Manager
Fine Arts Museums of San Francisco - de Young Museum
50 Hagiwara Tea Garden Drive, Golden Gate Park, San Francisco, CA 94118

Dear Hiring Manager,

I am excited to apply for the Museum / Conservation Technician track - Materials handling, documentation (via City portal) at Fine Arts Museums of San Francisco - de Young Museum in San Francisco. I hold a B.S. in Chemistry from UC Santa Cruz (2011) with hands-on experience in Chemical handling, materials aptitude, meticulous documentation, QC habits, safety compliance.

Your posting emphasizes Conservation tech: hands-on materials aptitude, meticulous records; conservator: master's in art conservation.. My background directly aligns: at Threshold Pharmaceuticals I synthesized and purified organic compounds using NMR and HPLC; at MicroConstants I performed sample extraction, chromatography, and spectroscopic analysis; at Quintara Biosciences I followed GLP for sample preparation, data recording, QC, and equipment maintenance. I also have a publication in ACS Journal of Medicinal Chemistry (Feb 2011).

I live at 21st Ave & Judah St in the Inner Sunset and commute via N Judah Muni and SFMTA buses. Your location at 50 Hagiwara Tea Garden Drive, Golden Gate Park, San Francisco, CA 94118 is accessible via ZONE A - VERY CLOSE. N Judah eastbound to 9th Ave & Irving -> walk north into Golden Gate Park (~15 min) or 44 bus. ~20-30 min total.. I have verified your official careers portal at <https://www.famsf.org/> and will apply directly via <https://careers.sf.gov> - Search 'Fine Arts Museum' / 'Museum' on careers.sf.gov (FAMSF hires through the City).

My property management experience has strengthened my organizational, budget tracking, and compliance skills - valuable for lab inventory, documentation, and safety protocols. I am detail-oriented, collaborative, and eager to contribute to your team.

Thank you for considering my application. I would welcome the opportunity to discuss how my background in Chemical handling, materials aptitude, meticulous documentation, QC habits, safety compliance can support Fine Arts Museums of San Francisco - de Young Museum. I am available for an interview at your convenience and can be reached at (707) 596-8503 or Brian.j1274@gmail.com.

Sincerely,
Brian

Match Score: 58% - Fit: Solvents/materials handling + documentation discipline adjacent to conservation-tech work; conservator rung needs a master's.
