Hiring Manager
UCSF - Neurology / Memory and Aging Center
505 Parnassus Ave & 1500 Owens St, San Francisco, CA 94143 / 94158

Dear Hiring Manager,

I am excited to apply for the Junior Specialist - Research Assistant, Chemistry-adjacent translational research at UCSF - Neurology / Memory and Aging Center in San Francisco. I hold a B.S. in Chemistry from UC Santa Cruz (2011) with hands-on experience in Sample preparation, data recording, organizational skills, GLP, lab safety.

Your posting emphasizes B.S. science; lab research experience, data recording, sample prep.. My background directly aligns: at Threshold Pharmaceuticals I synthesized and purified organic compounds using NMR and HPLC; at MicroConstants I performed sample extraction, chromatography, and spectroscopic analysis; at Quintara Biosciences I followed GLP for sample preparation, data recording, QC, and equipment maintenance. I also have a publication in ACS Journal of Medicinal Chemistry (Feb 2011).

I live at 21st Ave & Judah St in the Inner Sunset and commute via N Judah Muni and SFMTA buses. Your location at 505 Parnassus Ave & 1500 Owens St, San Francisco, CA 94143 / 94158 is accessible via ZONE A - Parnassus adjacent to Inner Sunset. Walk north on 21st Ave to Parnassus (~12-15 min) or N Judah to 9th & Irving then short bus/walk. Mission Bay via N Judah -> T-Third.. I have verified your official careers portal at <https://aprecruit.ucsf.edu> and will apply directly via <https://aprecruit.ucsf.edu> - Search 'Junior Specialist' + 'Chemistry' or 'Research Assistant' on AP Recruit.

My property management experience has strengthened my organizational, budget tracking, and compliance skills - valuable for lab inventory, documentation, and safety protocols. I am detail-oriented, collaborative, and eager to contribute to your team.

Thank you for considering my application. I would welcome the opportunity to discuss how my background in Sample preparation, data recording, organizational skills, GLP, lab safety can support UCSF - Neurology / Memory and Aging Center. I am available for an interview at your convenience and can be reached at (707) 596-8503 or Brian.j1274@gmail.com.

Sincerely,
Brian

Match Score: 75% - Fit: B.S. + lab internships qualify; organizational skills from property management valuable for data/budget tracking.
