Hiring Manager
Gladstone Institutes - Ramani Lab / Genomic Immunology
1650 Owens Street, San Francisco, CA 94158

Dear Hiring Manager,

I am excited to apply for the Research Associate I - Genomic Immunology / Systems Biology (sample prep, NGS library) at Gladstone Institutes - Ramani Lab / Genomic Immunology in San Francisco. I hold a B.S. in Chemistry from UC Santa Cruz (2011) with hands-on experience in Sample preparation, NGS library prep awareness, QC, data recording, GLP.

Your posting emphasizes B.S. biology/chemistry; lab experience, sample prep, data analysis.. My background directly aligns: at Threshold Pharmaceuticals I synthesized and purified organic compounds using NMR and HPLC; at MicroConstants I performed sample extraction, chromatography, and spectroscopic analysis; at Quintara Biosciences I followed GLP for sample preparation, data recording, QC, and equipment maintenance. I also have a publication in ACS Journal of Medicinal Chemistry (Feb 2011).

I live at 21st Ave & Judah St in the Inner Sunset and commute via N Judah Muni and SFMTA buses. Your location at 1650 Owens Street, San Francisco, CA 94158 is accessible via Same as job-04: N Judah -> T-Third to UCSF/Chase Center -> walk to 1650 Owens. ~40-50 min.. I have verified your official careers portal at <https://gladstone.org/careers> and will apply directly via <https://gladstone.wd503.myworkdayjobs.com/careers> - Search 'Ramani' or 'Research Associate' on Workday.

My property management experience has strengthened my organizational, budget tracking, and compliance skills - valuable for lab inventory, documentation, and safety protocols. I am detail-oriented, collaborative, and eager to contribute to your team.

Thank you for considering my application. I would welcome the opportunity to discuss how my background in Sample preparation, NGS library prep awareness, QC, data recording, GLP can support Gladstone Institutes - Ramani Lab / Genomic Immunology. I am available for an interview at your convenience and can be reached at (707) 596-8503 or Brian.j1274@gmail.com.

Sincerely,
Brian

Match Score: 72% - Fit: Sample prep, data recording, QC from Quintara/MicroConstants transfer to NGS library prep.
Verified: Gladstone Institutes - Ramani Lab / Genomic Immunology official site <https://gladstone.org/careers> - physical address 1650 Owens Street, San Francisco, CA 94158 - verified
