Hiring Manager
NCIRE - SF VA Health Care System
4150 Clement Street, San Francisco, CA 94121

Dear Hiring Manager,

I am excited to apply for the Staff Research Associate II - Aging / Neuroscience Research (data & lab support) at NCIRE - SF VA Health Care System in San Francisco. I hold a B.S. in Chemistry from UC Santa Cruz (2011) with hands-on experience in Data analysis, organizational skills, sample preparation, Excel, lab support.

Your posting emphasizes B.A./B.S. Neuroscience/Biology/Psychology; computer literacy, research functions.. My background directly aligns: at Threshold Pharmaceuticals I synthesized and purified organic compounds using NMR and HPLC; at MicroConstants I performed sample extraction, chromatography, and spectroscopic analysis; at Quintara Biosciences I followed GLP for sample preparation, data recording, QC, and equipment maintenance. I also have a publication in ACS Journal of Medicinal Chemistry (Feb 2011).

I live at 21st Ave & Judah St in the Inner Sunset and commute via N Judah Muni and SFMTA buses. Your location at 4150 Clement Street, San Francisco, CA 94121 is accessible via Same as job-11: N Judah -> 38R Geary west -> walk to Clement. ~45-60 min. 38/38R frequent.. I have verified your official careers portal at <https://www.ncire.org/careers> and will apply directly via <https://recruiting.ultipro.com/NOR1032NCIRE/JobBoard/82cac330-9aa5-417d-9b64-568d383f4ea0/> - Search 'Staff Research Associate II' on NCIRE board.

My property management experience has strengthened my organizational, budget tracking, and compliance skills - valuable for lab inventory, documentation, and safety protocols. I am detail-oriented, collaborative, and eager to contribute to your team.

Thank you for considering my application. I would welcome the opportunity to discuss how my background in Data analysis, organizational skills, sample preparation, Excel, lab support can support NCIRE - SF VA Health Care System. I am available for an interview at your convenience and can be reached at (707) 596-8503 or Brian.j1274@gmail.com.

Sincerely,
Brian

Match Score: 70% - Fit: More neuroscience-focused, but organizational, data analysis, lab support skills transfer.
