Hiring Manager
Anresco Laboratories
1375 Van Dyke Avenue, Bayview, San Francisco, CA 94124

Dear Hiring Manager,

I am excited to apply for the Laboratory Technician - Food & Cannabis Chemistry (sample prep, extractions) at Anresco Laboratories in San Francisco. I hold a B.S. in Chemistry from UC Santa Cruz (2011) with hands-on experience in Sample preparation, extractions, HPLC, GLP, QC, lab safety, data recording.

Your posting emphasizes B.S. science or 2 yrs relevant + AA; 21+; authorized to work US; lab experience preferred.. My background directly aligns: at Threshold Pharmaceuticals I synthesized and purified organic compounds using NMR and HPLC; at MicroConstants I performed sample extraction, chromatography, and spectroscopic analysis; at Quintara Biosciences I followed GLP for sample preparation, data recording, QC, and equipment maintenance. I also have a publication in ACS Journal of Medicinal Chemistry (Feb 2011).

I live at 21st Ave & Judah St in the Inner Sunset and commute via N Judah Muni and SFMTA buses. Your location at 1375 Van Dyke Avenue, Bayview, San Francisco, CA 94124 is accessible via ZONE D - LONGEST: N Judah east to 3rd St & 20th St -> T-Third south to Evans Ave/Williams Ave -> 44 O'Shaughnessy or 54 Felton to Van Dyke Ave. ~60-80 min. Industrial Bayview.. I have verified your official careers portal at <https://anresco.com/careers> and will apply directly via <https://www.indeed.com/cmp/Anresco-Laboratories/jobs> - Go to anresco.com/careers -> Indeed company page (employer-managed) -> search Lab Technician.

My property management experience has strengthened my organizational, budget tracking, and compliance skills - valuable for lab inventory, documentation, and safety protocols. I am detail-oriented, collaborative, and eager to contribute to your team.

Thank you for considering my application. I would welcome the opportunity to discuss how my background in Sample preparation, extractions, HPLC, GLP, QC, lab safety, data recording can support Anresco Laboratories. I am available for an interview at your convenience and can be reached at (707) 596-8503 or Brian.j1274@gmail.com.

Sincerely,
Brian

Match Score: 90% - Fit: Sample prep, extractions, basic analyses, HPLC support, GLP-adjacent work matches Lab Assistant + Lab Intern experience.
