Hiring Manager
Twist Bioscience
455 Mission Bay Boulevard South, Suite 545, San Francisco, CA 94158

Dear Hiring Manager,

I am excited to apply for the Research Associate - Synthetic Biology / DNA Synthesis (analytical chemistry, QC) at Twist Bioscience in San Francisco. I hold a B.S. in Chemistry from UC Santa Cruz (2011) with hands-on experience in Organic synthesis, HPLC, MS awareness, analytical chemistry, QC, sample preparation.

Your posting emphasizes B.S. Chemistry/Biology/Chemical Engineering; HPLC, MS, synthesis, analytical techniques.. My background directly aligns: at Threshold Pharmaceuticals I synthesized and purified organic compounds using NMR and HPLC; at MicroConstants I performed sample extraction, chromatography, and spectroscopic analysis; at Quintara Biosciences I followed GLP for sample preparation, data recording, QC, and equipment maintenance. I also have a publication in ACS Journal of Medicinal Chemistry (Feb 2011).

I live at 21st Ave & Judah St in the Inner Sunset and commute via N Judah Muni and SFMTA buses. Your location at 455 Mission Bay Boulevard South, Suite 545, San Francisco, CA 94158 is accessible via ZONE B - Mission Bay: N Judah east -> T-Third south to UCSF/Chase Center -> walk to Mission Bay Blvd South. ~40-50 min. Note many Twist lab roles now at 681 Gateway Blvd, South SF - verify location on posting.. I have verified your official careers portal at <https://www.twistbioscience.com/company/careers> and will apply directly via <https://www.twistbioscience.com/company/careers> - Search 'Research Associate' on Twist careers.

My property management experience has strengthened my organizational, budget tracking, and compliance skills - valuable for lab inventory, documentation, and safety protocols. I am detail-oriented, collaborative, and eager to contribute to your team.

Thank you for considering my application. I would welcome the opportunity to discuss how my background in Organic synthesis, HPLC, MS awareness, analytical chemistry, QC, sample preparation can support Twist Bioscience. I am available for an interview at your convenience and can be reached at (707) 596-8503 or Brian.j1274@gmail.com.

Sincerely,
Brian

Match Score: 86% - Fit: Organic synthesis (Threshold), HPLC, MS awareness, sample prep match Twist's synthetic DNA QC needs.
