Hiring Manager
UCSF Medical Center / UCSF Health
Parnassus Heights (505 Parnassus Ave) & Mission Bay Hospitals, San Francisco, CA 94143 / 94158

Dear Hiring Manager,

I am excited to apply for the Laboratory Assistant / Laboratory Helper - Clinical & Research Labs (entry) at UCSF Medical Center / UCSF Health in San Francisco. I hold a B.S. in Chemistry from UC Santa Cruz (2011) with hands-on experience in GLP, sample preparation, QC, equipment maintenance, lab safety, data recording.

Your posting emphasizes Entry: HS+ college helpful; lab coursework; GLP awareness.. My background directly aligns: at Threshold Pharmaceuticals I synthesized and purified organic compounds using NMR and HPLC; at MicroConstants I performed sample extraction, chromatography, and spectroscopic analysis; at Quintara Biosciences I followed GLP for sample preparation, data recording, QC, and equipment maintenance. I also have a publication in ACS Journal of Medicinal Chemistry (Feb 2011).

I live at 21st Ave & Judah St in the Inner Sunset and commute via N Judah Muni and SFMTA buses. Your location at Parnassus Heights (505 Parnassus Ave) & Mission Bay Hospitals, San Francisco, CA 94143 / 94158 is accessible via ZONE A - SHORTEST: Walk 12-15 min north from 21st & Judah or N Judah 2 stops + short walk. Mission Bay via N Judah -> T-Third + UCSF shuttle.. I have verified your official careers portal at <https://jobs.ucsfmedicalcenter.org> and will apply directly via <https://jobs.ucsfmedicalcenter.org> - Search 'Laboratory Assistant' or 'Lab Helper' on UCSF Health jobs.

My property management experience has strengthened my organizational, budget tracking, and compliance skills - valuable for lab inventory, documentation, and safety protocols. I am detail-oriented, collaborative, and eager to contribute to your team.

Thank you for considering my application. I would welcome the opportunity to discuss how my background in GLP, sample preparation, QC, equipment maintenance, lab safety, data recording can support UCSF Medical Center / UCSF Health. I am available for an interview at your convenience and can be reached at (707) 596-8503 or Brian.j1274@gmail.com.

Sincerely,
Brian
