PROFESSIONAL SUMMARY

Dedicated chemist with B.S. in Chemistry (UC Santa Cruz, 2011) and hands-on lab experience in HPLC, spectroscopy, chromatography, and GLP quality control. Seeking entry-level Research Associate position in biotech to leverage analytical skills and passion for science. Strong organizational and budget management skills from property management, transferable to lab operations.

EDUCATION

B.S. in Chemistry - University of California, Santa Cruz - Sep 2007 - May 2011

- Research Assistant, Yat Li's Lab: Synthesized gallium nitride cells via chemical vapor deposition for solar cell nanomaterials; sample preparation, characterization, data analysis.

PROFESSIONAL EXPERIENCE

Property Manager (Contract) - San Francisco, CA - May 2012 - Present

- Managed property operations, tenant relations, leasing, compliance
- Oversaw budgets, expenses, maintenance coordination, vendor management
- Developed strong organizational, analytical, and financial tracking skills transferable to lab inventory, compliance, and data management

Lab Assistant - Quintara Biosciences - SF Bay Area, CA - Jan 2012 - May 2012

- Performed lab procedures following Good Laboratory Practices (GLP): sample preparation, data recording
- Conducted QC processes, maintained lab equipment, ensured safety protocol compliance

Lab Intern - Microconstants - San Diego, CA - Aug 2011 - Dec 2011

- Executed sample extraction, chromatography, spectroscopic analysis
- Assisted transitioning lab records to electronic systems, contributed to QC efforts

Summer Medicinal Chemistry Intern - Threshold Pharmaceuticals - SF Bay Area, CA - Jun 2011 - Aug 2011

- Synthesized and purified organic compounds for drug development using NMR and HPLC
- Collaborated on experimental design, troubleshooting, data interpretation

SKILLS

- Laboratory Techniques: HPLC, Spectroscopy (NMR, UV-Vis), Chromatography, Sample Preparation, Titration, Wet Chemistry
- Quality Control & Data Analysis, GLP, Lab Safety & Compliance
- Microsoft Office Suite (Excel, Word) - data tracking, reports
- Organizational & Financial Management (transferable: inventory, budgeting, vendor coordination)
