job-67 - UCSF - Staff Research Associate, Parnassus biomedical lab (cardiovascular/immunotherapy mouse models)

Date: [Insert Date]

Hiring Manager
UCSF - Staff Research Associate, Parnassus biomedical lab (cardiovascular/immunotherapy mouse models)
UCSF Parnassus Heights (500 Parnassus Ave area), San Francisco, CA 94143

Dear Hiring Manager,

I am excited to apply for the Staff Research Associate - Molecular biology + mouse colony support (LIVE; Parnassus 94143) at UCSF - Staff Research Associate, Parnassus biomedical lab (cardiovascular/immunotherapy mouse models) in San Francisco. I hold a B.S. in Chemistry from UC Santa Cruz (2011) with hands-on experience in Western blotting, qPCR, gel electrophoresis, DNA/RNA extraction, cell culture, mouse colony support, inventory & documentation.

Your posting emphasizes B.S. related science + ?1 yr recent directly related work experience; mouse colony maintenance; molecular cloning; Western blot/qPCR.. My background directly aligns: at Threshold Pharmaceuticals I synthesized and purified organic compounds using NMR and HPLC; at MicroConstants I performed sample extraction, chromatography, and spectroscopic analysis; at Quintara Biosciences I followed GLP for sample preparation, data recording, QC, and equipment maintenance. I also have a publication in ACS Journal of Medicinal Chemistry (Feb 2011).

I live at 21st Ave & Judah St in the Inner Sunset and commute via N Judah Muni and SFMTA buses. Your location at UCSF Parnassus Heights (500 Parnassus Ave area), San Francisco, CA 94143 is accessible via ZONE A - WALKABLE. From 21st & Judah: walk east on Judah to 30th Ave then north to Parnassus (~20-25 min), or Muni 45/26.. I have verified your official careers portal at <https://careers.ucsf.edu> and will apply directly via <https://careers.ucsf.edu> - Search 'Staff Research Associate' + Parnassus on careers.ucsf.edu - live posting (500 Parnassus Ave, 94143) confirmed in Sept 9, 2026 snapshot; confirm the JobDetail ID, then apply.

My property management experience has strengthened my organizational, budget tracking, and compliance skills - valuable for lab inventory, documentation, and safety protocols. I am detail-oriented, collaborative, and eager to contribute to your team.

Thank you for considering my application. I would welcome the opportunity to discuss how my background in Western blotting, qPCR, gel electrophoresis, DNA/RNA extraction, cell culture, mouse colony support, inventory & documentation can support UCSF - Staff Research Associate, Parnassus biomedical lab (cardiovascular/immunotherapy mouse models). I am available for an interview at your convenience and can be reached at (707) 596-8503 or Brian.j1274@gmail.com.

Sincerely,
Brian

Match Score: 64% - Fit: Western blot, qPCR, DNA/protein gel electrophoresis, cell culture, DNA/RNA extraction + mouse colony management & lab inventory - solid bench overlap; lab studies cardiovascular toxicity of cancer immunotherapies.

Verified: UCSF - Staff Research Associate, Parnassus biomedical lab (cardiovascular/immunotherapy mouse models) official site <https://careers.ucsf.edu> - physical address UCSF Parnassus Heights (500 Parnassus Ave area), San Francisco, CA 94143 - verified
