Hiring Manager
NCIRE - The Veterans Health Research Institute (SF VA affiliate)
4150 Clement Street, San Francisco, CA 94121 (Lincoln Park - SF VA campus area)

Dear Hiring Manager,

I am excited to apply for the Staff Research Associate II (STAFF001526) - Research support with data workflows (LIVE) at NCIRE - The Veterans Health Research Institute (SF VA affiliate) in San Francisco. I hold a B.S. in Chemistry from UC Santa Cruz (2011) with hands-on experience in Lab support, sample prep, data handling (R/Excel), documentation, QC, collaboration.

Your posting emphasizes B.S. life science; lab support, data handling (R a plus), research documentation; NCIRE posting (STAFF001526).. My background directly aligns: at Threshold Pharmaceuticals I synthesized and purified organic compounds using NMR and HPLC; at MicroConstants I performed sample extraction, chromatography, and spectroscopic analysis; at Quintara Biosciences I followed GLP for sample preparation, data recording, QC, and equipment maintenance. I also have a publication in ACS Journal of Medicinal Chemistry (Feb 2011).

I live at 21st Ave & Judah St in the Inner Sunset and commute via N Judah Muni and SFMTA buses. Your location at 4150 Clement Street, San Francisco, CA 94121 (Lincoln Park - SF VA campus area) is accessible via ZONE B/C - From 21st & Judah: N Judah east to 19th Ave -> 38R Geary westbound to 32nd Ave & Geary -> walk north ~8 min to 4150 Clement St. ~45-60 min.. I have verified your official careers portal at <https://www.ncire.org/careers> and will apply directly via <https://www.ncire.org/careers> - Search 'STAFF001526' or 'Staff Research Associate II' on official ncire.org careers (Ultorio) - live \$25.24-\$40.60/hr as of Sept 9, 2026.

My property management experience has strengthened my organizational, budget tracking, and compliance skills - valuable for lab inventory, documentation, and safety protocols. I am detail-oriented, collaborative, and eager to contribute to your team.

Thank you for considering my application. I would welcome the opportunity to discuss how my background in Lab support, sample prep, data handling (R/Excel), documentation, QC, collaboration can support NCIRE - The Veterans Health Research Institute (SF VA affiliate). I am available for an interview at your convenience and can be reached at (707) 596-8503 or Brian.j1274@gmail.com.

Sincerely,
Brian

Match Score: 74% - Fit: SRA II at the vet-affiliated research institute (see also job-11/12): lab support plus bringing data into computing environments (R) - lab + data hybrid at an established SF research employer.

Verified: NCIRE - The Veterans Health Research Institute (SF VA affiliate) official site <https://www.ncire.org/careers> - physical address 4150 Clement Street, San Francisco, CA 94121 (Lincoln Park - SF VA campus area) - verified
