Dandelion Chocolate
San Francisco, CA

Hiring Manager,

I am writing to ask to be considered for Sanitation track openings at Dandelion Chocolate. I hold a B.S. in Chemistry from UC Santa Cruz (2011), with bench experience in QC & compliance and records & data from roles at Threshold Pharmaceuticals, MicroConstants and Quintara Biosciences.

The work you describe for this team is food safety/quality procedures, chemical handling for sanitation, detail orientation. That is close to work I have actually done: QC checks and GLP documentation, including flagging anything out of specification, electronic records and clean data entry, with summaries the team could actually use. I am comfortable being the person who keeps a bench tidy, a record complete and a schedule kept. The last decade of running property operations on contract sharpened exactly that: inventory, vendor scheduling, compliance paperwork and receipts that reconcile.

If a matching requisition opens, I would welcome a short conversation. I can be reached at (707) 596-8503 or Brian.j1274@gmail.com, and I am glad to send transcripts or references on request. Thank you for your time.

Sincerely,
Brian
