Hiring Manager
University of San Francisco - Department of Chemistry
2130 Fulton Street (Hilltop Campus, Harney Science Center), San Francisco, CA 94117

Dear Hiring Manager,

I am excited to apply for the Laboratory Manager / Research Technician (Harney Science Center chemistry labs) at University of San Francisco - Department of Chemistry in San Francisco. I hold a B.S. in Chemistry from UC Santa Cruz (2011) with hands-on experience in Lab management, sample preparation, QC, equipment maintenance, inventory, GLP, safety compliance.

Your posting emphasizes B.S. Chemistry; lab prep, instrument maintenance, safety, inventory, research support.. My background directly aligns: at Threshold Pharmaceuticals I synthesized and purified organic compounds using NMR and HPLC; at MicroConstants I performed sample extraction, chromatography, and spectroscopic analysis; at Quintara Biosciences I followed GLP for sample preparation, data recording, QC, and equipment maintenance. I also have a publication in ACS Journal of Medicinal Chemistry (Feb 2011).

I live at 21st Ave & Judah St in the Inner Sunset and commute via N Judah Muni and SFMTA buses. Your location at 2130 Fulton Street (Hilltop Campus, Harney Science Center), San Francisco, CA 94117 is accessible via ZONE A/B - N Judah eastbound to 9th Ave & Irving -> northbound bus on 9th Ave (44 O'Shaughnessy) to Fulton St -> walk east to 2130 Fulton. ~30-40 min.. I have verified your official careers portal at <https://www.usfca.edu/hr> and will apply directly via https://usfca.wd5.myworkdayjobs.com/USF_Staff - Search 'Laboratory' or 'Chemistry' on the USF_Staff Workday board.

My property management experience has strengthened my organizational, budget tracking, and compliance skills - valuable for lab inventory, documentation, and safety protocols. I am detail-oriented, collaborative, and eager to contribute to your team.

Thank you for considering my application. I would welcome the opportunity to discuss how my background in Lab management, sample preparation, QC, equipment maintenance, inventory, GLP, safety compliance can support University of San Francisco - Department of Chemistry. I am available for an interview at your convenience and can be reached at (707) 596-8503 or Brian.j1274@gmail.com.

Sincerely,
Brian

Match Score: 80% - Fit: Chemistry lab management draws directly on sample prep, QC, equipment maintenance, safety compliance from Quintara/MicroConstants.
