Hiring Manager
City College of San Francisco - Sciences / Laboratory Support
50 Frida Kahlo Way (Ocean Campus), San Francisco, CA 94112

Dear Hiring Manager,

I am excited to apply for the Laboratory Technician / Technical Instructional Aide (science labs, Ocean Campus) at City College of San Francisco - Sciences / Laboratory Support in San Francisco. I hold a B.S. in Chemistry from UC Santa Cruz (2011) with hands-on experience in Sample preparation, QC, equipment setup, inventory/storeroom, lab safety, data recording.

Your posting emphasizes Science lab experience; prep, storeroom/inventory, equipment setup, safety.. My background directly aligns: at Threshold Pharmaceuticals I synthesized and purified organic compounds using NMR and HPLC; at MicroConstants I performed sample extraction, chromatography, and spectroscopic analysis; at Quintara Biosciences I followed GLP for sample preparation, data recording, QC, and equipment maintenance. I also have a publication in ACS Journal of Medicinal Chemistry (Feb 2011).

I live at 21st Ave & Judah St in the Inner Sunset and commute via N Judah Muni and SFMTA buses. Your location at 50 Frida Kahlo Way (Ocean Campus), San Francisco, CA 94112 is accessible via ZONE B - N Judah eastbound to 19th Ave station -> M Ocean View southbound to Ocean Ave/CCSF, or 29 Sunset bus southbound to Ocean Campus. ~30-40 min.. I have verified your official careers portal at <https://www.ccsf.edu/about-ccsf/administration/human-resources/jobs-ccsf> and will apply directly via <https://jobs.ccsf.edu/postings/search> - Search 'Laboratory' or 'Technical Instructional' on jobs.ccsf.edu.

My property management experience has strengthened my organizational, budget tracking, and compliance skills - valuable for lab inventory, documentation, and safety protocols. I am detail-oriented, collaborative, and eager to contribute to your team.

Thank you for considering my application. I would welcome the opportunity to discuss how my background in Sample preparation, QC, equipment setup, inventory/storeroom, lab safety, data recording can support City College of San Francisco - Sciences / Laboratory Support. I am available for an interview at your convenience and can be reached at (707) 596-8503 or Brian.j1274@gmail.com.

Sincerely,
Brian

Match Score: 78% - Fit: GLP sample prep, QC, equipment maintenance, electronic-records experience maps to community-college science lab support.
