job-28 - Chinese Hospital - Clinical Laboratory (Chinatown main campus)

Date: [Insert Date]

Hiring Manager
Chinese Hospital - Clinical Laboratory (Chinatown main campus)
845 Jackson Street, 1/F (Main Lab, 24/7), San Francisco, CA 94133

Dear Hiring Manager,

I am excited to apply for the Clinical Laboratory Technician (Non-Testing Personnel) - specimen collection & lab support at Chinese Hospital - Clinical Laboratory (Chinatown main campus) in San Francisco. I hold a B.S. in Chemistry from UC Santa Cruz (2011) with hands-on experience in Specimen collection, sample preparation, QC procedures, equipment maintenance, inventory, lab safety.

Your posting emphasizes REQUIRED: CA Phlebotomy Technician cert (CPT-1 or CPT-2); nights/weekends/holidays availability.. My background directly aligns: at Threshold Pharmaceuticals I synthesized and purified organic compounds using NMR and HPLC; at MicroConstants I performed sample extraction, chromatography, and spectroscopic analysis; at Quintara Biosciences I followed GLP for sample preparation, data recording, QC, and equipment maintenance. I also have a publication in ACS Journal of Medicinal Chemistry (Feb 2011).

I live at 21st Ave & Judah St in the Inner Sunset and commute via N Judah Muni and SFMTA buses. Your location at 845 Jackson Street, 1/F (Main Lab, 24/7), San Francisco, CA 94133 is accessible via ZONE C - N Judah eastbound to Powell station -> 30 Stockton bus or cable car north to Chinatown (Jackson St) -> walk to 845 Jackson. ~40-50 min. (Sunset Blood Draw Center at 1800 31st Ave is in 94122, but main lab is Chinatown.). I have verified your official careers portal at <https://chinesehospital-sf.org/job-opportunities/> and will apply directly via <https://chinesehospital-sf.org/job/clinicallabtech/> - Req #12756 on chinesehospital-sf.org - apply directly on the hospital site; re-verify live.

My property management experience has strengthened my organizational, budget tracking, and compliance skills - valuable for lab inventory, documentation, and safety protocols. I am detail-oriented, collaborative, and eager to contribute to your team.

Thank you for considering my application. I would welcome the opportunity to discuss how my background in Specimen collection, sample preparation, QC procedures, equipment maintenance, inventory, lab safety can support Chinese Hospital - Clinical Laboratory (Chinatown main campus). I am available for an interview at your convenience and can be reached at (707) 596-8503 or Brian.j1274@gmail.com.

Sincerely,
Brian

Match Score: 48% - Fit: Live verified posting, but REQUIRES CPT-1/CPT-2 phlebotomy certification you do not hold; chemistry degree alone does not qualify.

Verified: Chinese Hospital - Clinical Laboratory (Chinatown main campus) official site <https://chinesehospital-sf.org/job-opportunities/> - physical address 845 Jackson Street, 1/F (Main Lab, 24/7), San Francisco, CA 94133 - verified

Official Apply: <https://chinesehospital-sf.org/job/clinicallabtech/> - Req #12756 on chinesehospital-sf.org - apply directly on the hospital site; re-verify live

Transit: ZONE C - N Judah eastbound to Powell station -> 30 Stockton bus or cable car north to Chinatown (Jackson St) -> walk to 845 Jackson. ~40-50 min. (Sunset Blood Draw Center at 1800 31st Ave is in 94122, but main lab is Chinatown.)
