Hiring Manager
SFVA Health Care System (federal) - Clinical & Research Labs
4150 Clement Street, San Francisco, CA 94121 (Richmond / Lincoln Park)

Dear Hiring Manager,

I am excited to apply for the Biological Science Technician / Medical Technician (federal direct-hire) at SFVA Health Care System (federal) - Clinical & Research Labs in San Francisco. I hold a B.S. in Chemistry from UC Santa Cruz (2011) with hands-on experience in Sample preparation, QC, equipment maintenance, data recording, lab safety, GLP.

Your posting emphasizes Varies by series (0404 Bio Sci Tech, 0644 Medical Tech); lab experience; US citizenship.. My background directly aligns: at Threshold Pharmaceuticals I synthesized and purified organic compounds using NMR and HPLC; at MicroConstants I performed sample extraction, chromatography, and spectroscopic analysis; at Quintara Biosciences I followed GLP for sample preparation, data recording, QC, and equipment maintenance. I also have a publication in ACS Journal of Medicinal Chemistry (Feb 2011).

I live at 21st Ave & Judah St in the Inner Sunset and commute via N Judah Muni and SFMTA buses. Your location at 4150 Clement Street, San Francisco, CA 94121 (Richmond / Lincoln Park) is accessible via ZONE B/C - N Judah east to 19th Ave -> 38R Geary westbound to 32nd Ave & Geary -> walk north ~8 min to Clement. ~45-60 min. Alt: 44 north from 9th & Irving -> 38 west.. I have verified your official careers portal at <https://www.va.gov/san-francisco-health-care/work-with-us/jobs-and-careers/> and will apply directly via <https://www.usajobs.gov/> - On USAJOBS search 'San Francisco VA' + laboratory / biological science technician; save the search.

My property management experience has strengthened my organizational, budget tracking, and compliance skills - valuable for lab inventory, documentation, and safety protocols. I am detail-oriented, collaborative, and eager to contribute to your team.

Thank you for considering my application. I would welcome the opportunity to discuss how my background in Sample preparation, QC, equipment maintenance, data recording, lab safety, GLP can support SFVA Health Care System (federal) - Clinical & Research Labs. I am available for an interview at your convenience and can be reached at (707) 596-8503 or Brian.j1274@gmail.com.

Sincerely,
Brian

Match Score: 68% - Fit: Federal lab-tech series value hands-on sample prep/QC/equipment experience; distinct from NCIRE affiliate roles.
