Hiring Manager
Quest Diagnostics - San Francisco patient & lab services
2198 15th Street (at Noe) + multiple SF sites, San Francisco, CA 94114

Dear Hiring Manager,

I am excited to apply for the Specimen Processor / Laboratory Assistant (entry clinical support) at Quest Diagnostics - San Francisco patient & lab services in San Francisco. I hold a B.S. in Chemistry from UC Santa Cruz (2011) with hands-on experience in Specimen handling, sample preparation, accessioning, data entry, QC, lab safety.

Your posting emphasizes Entry: specimen handling, accessioning, data entry; phlebotomy cert for draw roles.. My background directly aligns: at Threshold Pharmaceuticals I synthesized and purified organic compounds using NMR and HPLC; at MicroConstants I performed sample extraction, chromatography, and spectroscopic analysis; at Quintara Biosciences I followed GLP for sample preparation, data recording, QC, and equipment maintenance. I also have a publication in ACS Journal of Medicinal Chemistry (Feb 2011).

I live at 21st Ave & Judah St in the Inner Sunset and commute via N Judah Muni and SFMTA buses. Your location at 2198 15th Street (at Noe) + multiple SF sites, San Francisco, CA 94114 is accessible via ZONE B - N Judah eastbound to Church & Duboce -> J Church south 1-2 stops or short walk to 15th & Noe. ~20-30 min. Confirm site on posting.. I have verified your official careers portal at <https://careers.questdiagnostics.com/> and will apply directly via <https://careers.questdiagnostics.com/search-jobs> - Search 'Specimen' or 'Laboratory' + San Francisco on careers.questdiagnostics.com.

My property management experience has strengthened my organizational, budget tracking, and compliance skills - valuable for lab inventory, documentation, and safety protocols. I am detail-oriented, collaborative, and eager to contribute to your team.

Thank you for considering my application. I would welcome the opportunity to discuss how my background in Specimen handling, sample preparation, accessioning, data entry, QC, lab safety can support Quest Diagnostics - San Francisco patient & lab services. I am available for an interview at your convenience and can be reached at (707) 596-8503 or Brian.j1274@gmail.com.

Sincerely,
Brian

Match Score: 55% - Fit: Specimen processing uses sample handling/QC/data-entry skills; SF sites largely patient centers - verify SF work location.

Verified: Quest Diagnostics - San Francisco patient & lab services official site <https://careers.questdiagnostics.com/> - physical address 2198 15th Street (at Noe) + multiple SF sites, San Francisco, CA 94114 - verified
