Dear Hiring Manager,

I am excited to apply for the Laboratory Assistant / Patient Service Support (entry) at Labcorp - San Francisco locations in San Francisco. I hold a B.S. in Chemistry from UC Santa Cruz (2011) with hands-on experience in Specimen handling, sample preparation, accessioning, data entry, customer intake, lab safety.

Your posting emphasizes Entry: specimen handling, accessioning, customer intake; phlebotomy for draw roles.. My background directly aligns: at Threshold Pharmaceuticals I synthesized and purified organic compounds using NMR and HPLC; at MicroConstants I performed sample extraction, chromatography, and spectroscopic analysis; at Quintara Biosciences I followed GLP for sample preparation, data recording, QC, and equipment maintenance. I also have a publication in ACS Journal of Medicinal Chemistry (Feb 2011).

I live at 21st Ave & Judah St in the Inner Sunset and commute via N Judah Muni and SFMTA buses. Your location at 148 Noe Street (+ 490 Post, 2100/2233 Post, 2622 Ocean, 728 Pacific), San Francisco, CA is accessible via ZONE B - N Judah eastbound to Church & Duboce -> short walk/bus to Noe St sites (~20-30 min). For 2622 Ocean Ave: N Judah -> M/29 south (~30 min). Verify site on posting.. I have verified your official careers portal at <https://careers.labcorp.com/global/en> and will apply directly via <https://careers.labcorp.com/global/search-results> - Search 'Laboratory' + San Francisco, CA on careers.labcorp.com.

My property management experience has strengthened my organizational, budget tracking, and compliance skills - valuable for lab inventory, documentation, and safety protocols. I am detail-oriented, collaborative, and eager to contribute to your team.

Thank you for considering my application. I would welcome the opportunity to discuss how my background in Specimen handling, sample preparation, accessioning, data entry, customer intake, lab safety can support Labcorp - San Francisco locations. I am available for an interview at your convenience and can be reached at (707) 596-8503 or Brian.j1274@gmail.com.

Sincerely,
Brian
