Hiring Manager
Laguna Honda Hospital & Rehabilitation Center (City/DPH)
375 Laguna Honda Boulevard, San Francisco, CA 94116 (Forest Hill)

Dear Hiring Manager,

I am excited to apply for the Laboratory / Clinical Support (hospital lab assistant & aide roles) at Laguna Honda Hospital & Rehabilitation Center (City/DPH) in San Francisco. I hold a B.S. in Chemistry from UC Santa Cruz (2011) with hands-on experience in Sample preparation, QC, equipment maintenance, data entry, GLP, lab safety.

Your posting emphasizes Varies by class (2416 Lab Tech II, aides); lab coursework/experience; patient-area screening.. My background directly aligns: at Threshold Pharmaceuticals I synthesized and purified organic compounds using NMR and HPLC; at MicroConstants I performed sample extraction, chromatography, and spectroscopic analysis; at Quintara Biosciences I followed GLP for sample preparation, data recording, QC, and equipment maintenance. I also have a publication in ACS Journal of Medicinal Chemistry (Feb 2011).

I live at 21st Ave & Judah St in the Inner Sunset and commute via N Judah Muni and SFMTA buses. Your location at 375 Laguna Honda Boulevard, San Francisco, CA 94116 (Forest Hill) is accessible via ZONE A/B - N Judah eastbound to 9th Ave & Irving -> 43 Masonic southbound toward Forest Hill -> walk/bus to 375 Laguna Honda Blvd. ~30-45 min (hilly area).. I have verified your official careers portal at <https://www.sf.gov/location--laguna-honda-hospital-and-rehabilitation-center> and will apply directly via <https://careers.sf.gov> - Search 'Laguna Honda' + laboratory / technician / assistant on careers.sf.gov.

My property management experience has strengthened my organizational, budget tracking, and compliance skills - valuable for lab inventory, documentation, and safety protocols. I am detail-oriented, collaborative, and eager to contribute to your team.

Thank you for considering my application. I would welcome the opportunity to discuss how my background in Sample preparation, QC, equipment maintenance, data entry, GLP, lab safety can support Laguna Honda Hospital & Rehabilitation Center (City/DPH). I am available for an interview at your convenience and can be reached at (707) 596-8503 or Brian.j1274@gmail.com.

Sincerely,
Brian

Match Score: 64% - Fit: City hospital lab-support roles use GLP sample prep/QC/equipment skills; licensed CLS roles excluded.
