Hiring Manager
UCSF Health Hyde Hospital (formerly Saint Francis Memorial)
900 Hyde Street (between Bush & Pine, Nob Hill), San Francisco, CA 94109

Dear Hiring Manager,

I am excited to apply for the Laboratory Assistant - Clinical Lab Support (entry, non-licensed) at UCSF Health Hyde Hospital (formerly Saint Francis Memorial) in San Francisco. I hold a B.S. in Chemistry from UC Santa Cruz (2011) with hands-on experience in Sample preparation, specimen handling, data entry, GLP awareness, lab safety, equipment upkeep.

Your posting emphasizes Entry lab support; specimen handling, data entry, upkeep; CLS roles need CA license.. My background directly aligns: at Threshold Pharmaceuticals I synthesized and purified organic compounds using NMR and HPLC; at MicroConstants I performed sample extraction, chromatography, and spectroscopic analysis; at Quintara Biosciences I followed GLP for sample preparation, data recording, QC, and equipment maintenance. I also have a publication in ACS Journal of Medicinal Chemistry (Feb 2011).

I live at 21st Ave & Judah St in the Inner Sunset and commute via N Judah Muni and SFMTA buses. Your location at 900 Hyde Street (between Bush & Pine, Nob Hill), San Francisco, CA 94109 is accessible via ZONE C - N Judah eastbound to Civic Center station -> 19 Polk northbound (or Powell-Mason cable car from Powell) toward Hyde/Bush -> short walk to 900 Hyde. ~35-45 min (hilly Nob Hill).. I have verified your official careers portal at <https://sfcommunityhospitals.ucsfhealth.org/saint-francis> and will apply directly via <https://jobs.ucsfmedicalcenter.org> - Search 'Hyde' or 'Laboratory Assistant' + San Francisco on jobs.ucsfmedicalcenter.org.

My property management experience has strengthened my organizational, budget tracking, and compliance skills - valuable for lab inventory, documentation, and safety protocols. I am detail-oriented, collaborative, and eager to contribute to your team.

Thank you for considering my application. I would welcome the opportunity to discuss how my background in Sample preparation, specimen handling, data entry, GLP awareness, lab safety, equipment upkeep can support UCSF Health Hyde Hospital (formerly Saint Francis Memorial). I am available for an interview at your convenience and can be reached at (707) 596-8503 or Brian.j1274@gmail.com.

Sincerely,
Brian

Match Score: 64% - Fit: Entry lab assistant fits GLP/sample-prep background; licensed CLS track does not.

Verified: UCSF Health Hyde Hospital (formerly Saint Francis Memorial) official site
