job-43 - City & County of San Francisco - SFPD / Citywide Labs

Date: [Insert Date]

Hiring Manager
City & County of San Francisco - SFPD / Citywide Labs
Citywide - SFPD Public Health Laboratories & City clinics, San Francisco (duty station per posting; HQ 101 Grove St)

Dear Hiring Manager,

I am excited to apply for the Laboratory Technician I (Class 2402) - Entry lab support (glassware, media, inventory, records) at City & County of San Francisco - SFPD / Citywide Labs in San Francisco. I hold a B.S. in Chemistry from UC Santa Cruz (2011) with hands-on experience in Solution preparation, glassware/media prep, inventory, records, lab safety, GLP discipline.

Your posting emphasizes HS + 6 mo lab experience OR 15 semester units incl. one chem/bio lab course (B.S. far exceeds); no license.. My background directly aligns: at Threshold Pharmaceuticals I synthesized and purified organic compounds using NMR and HPLC; at MicroConstants I performed sample extraction, chromatography, and spectroscopic analysis; at Quintara Biosciences I followed GLP for sample preparation, data recording, QC, and equipment maintenance. I also have a publication in ACS Journal of Medicinal Chemistry (Feb 2011).

I live at 21st Ave & Judah St in the Inner Sunset and commute via N Judah Muni and SFMTA buses. Your location at Citywide - SFPD Public Health Laboratories & City clinics, San Francisco (duty station per posting; HQ 101 Grove St) is accessible via ZONE C - Most SFPD lab sites near Civic Center: N Judah eastbound to Civic Center -> short walk. Confirm duty station on posting. ~30-40 min typical.. I have verified your official careers portal at <https://careers.sf.gov/classifications/?classCode=2402> and will apply directly via <https://careers.sf.gov> - Search '2402' or 'Laboratory Technician I' on careers.sf.gov.

My property management experience has strengthened my organizational, budget tracking, and compliance skills - valuable for lab inventory, documentation, and safety protocols. I am detail-oriented, collaborative, and eager to contribute to your team.

Thank you for considering my application. I would welcome the opportunity to discuss how my background in Solution preparation, glassware/media prep, inventory, records, lab safety, GLP discipline can support City & County of San Francisco - SFPD / Citywide Labs. I am available for an interview at your convenience and can be reached at (707) 596-8503 or Brian.j1274@gmail.com.

Sincerely,
Brian

Match Score: 80% - Fit: You exceed every minimum and the rung promotes to 2416; duties are deliberately routine - a foot-in-the-door rather than a chemist role.
