job-51 - North East Medical Services (NEMS) - Chinatown Main Clinic

Date: [Insert Date]

Hiring Manager
North East Medical Services (NEMS) - Chinatown Main Clinic
1520 Stockton Street (Main Clinic, Chinatown), San Francisco, CA 94133

Dear Hiring Manager,

I am excited to apply for the Lab Assistant I - Clinic laboratory support (community health center) at North East Medical Services (NEMS) - Chinatown Main Clinic in San Francisco. I hold a B.S. in Chemistry from UC Santa Cruz (2011) with hands-on experience in Specimen handling, sample preparation, QC, data entry, lab safety, patient-service attitude.

Your posting emphasizes Lab assisting; phlebotomy/CPT often required; Cantonese/Mandarin strongly preferred.. My background directly aligns: at Threshold Pharmaceuticals I synthesized and purified organic compounds using NMR and HPLC; at MicroConstants I performed sample extraction, chromatography, and spectroscopic analysis; at Quintara Biosciences I followed GLP for sample preparation, data recording, QC, and equipment maintenance. I also have a publication in ACS Journal of Medicinal Chemistry (Feb 2011).

I live at 21st Ave & Judah St in the Inner Sunset and commute via N Judah Muni and SFMTA buses. Your location at 1520 Stockton Street (Main Clinic, Chinatown), San Francisco, CA 94133 is accessible via ZONE C - N Judah eastbound to Powell -> 30 Stockton bus north into Chinatown (or cable car) to 1520 Stockton. ~40-50 min.. I have verified your official careers portal at <https://www.nems.org/> and will apply directly via <https://nems.betterteam.com/> - Lab Assistant postings recur on the official NEMS BetterTeam board - check weekly.

My property management experience has strengthened my organizational, budget tracking, and compliance skills - valuable for lab inventory, documentation, and safety protocols. I am detail-oriented, collaborative, and eager to contribute to your team.

Thank you for considering my application. I would welcome the opportunity to discuss how my background in Specimen handling, sample preparation, QC, data entry, lab safety, patient-service attitude can support North East Medical Services (NEMS) - Chinatown Main Clinic. I am available for an interview at your convenience and can be reached at (707) 596-8503 or Brian.j1274@gmail.com.

Sincerely,
Brian

Match Score: 62% - Fit: Specimen handling + clinical pace fit; CPT certification + Chinese language are gaps to plan around.
Verified: North East Medical Services (NEMS) - Chinatown Main Clinic official site <https://www.nems.org/> - physical address 1520 Stockton Street (Main Clinic, Chinatown), San Francisco, CA 94133 - verified
