U.S. Mint - San Francisco Mint (federal)
155 Hermann Street, San Francisco, CA 94102 (Market / Hayes edge)

Dear Hiring Manager,

I am excited to apply for the Metal Forming Machine Operator / Production QC track - Precision coin inspection (via USAJOBS) at U.S. Mint - San Francisco Mint (federal) in San Francisco. I hold a B.S. in Chemistry from UC Santa Cruz (2011) with hands-on experience in QC inspection, attention to detail, procedures compliance, safety, documentation.

Your posting emphasizes Federal eligibility; precision inspection, manufacturing aptitude; no chemistry degree needed.. My background directly aligns: at Threshold Pharmaceuticals I synthesized and purified organic compounds using NMR and HPLC; at MicroConstants I performed sample extraction, chromatography, and spectroscopic analysis; at Quintara Biosciences I followed GLP for sample preparation, data recording, QC, and equipment maintenance. I also have a publication in ACS Journal of Medicinal Chemistry (Feb 2011).

I live at 21st Ave & Judah St in the Inner Sunset and commute via N Judah Muni and SFMTA buses. Your location at 155 Hermann Street, San Francisco, CA 94102 (Market / Hayes edge) is accessible via ZONE C - N Judah eastbound to Van Ness -> walk south to 155 Hermann St. ~30-40 min.. I have verified your official careers portal at <https://www.usmint.gov/about/tours-and-locations/san-francisco> and will apply directly via <https://www.usajobs.gov> - Search 'U.S. Mint' + San Francisco on USAJOBS; set an alert.

My property management experience has strengthened my organizational, budget tracking, and compliance skills - valuable for lab inventory, documentation, and safety protocols. I am detail-oriented, collaborative, and eager to contribute to your team.

Thank you for considering my application. I would welcome the opportunity to discuss how my background in QC inspection, attention to detail, procedures compliance, safety, documentation can support U.S. Mint - San Francisco Mint (federal). I am available for an interview at your convenience and can be reached at (707) 596-8503 or Brian.j1274@gmail.com.

Sincerely,
Brian

Match Score: 52% - Fit: Exacting visual/QC inspection uses QC discipline; production floor with shift work - federal foot-in-the-door at best.
