job-59 - Heluna Health - Research Associate, SFDPH Center for Public Health Research

Date: [Insert Date]

Hiring Manager
Heluna Health - Research Associate, SFDPH Center for Public Health Research
SFDPH research sites, San Francisco (e.g., 101 Grove St / Population Health Division - per posting)

Dear Hiring Manager,

I am excited to apply for the Research Associate - Public-health research support, CPHR/CSUH (employer of record: Heluna Health) at Heluna Health - Research Associate, SFDPH Center for Public Health Research in San Francisco. I hold a B.S. in Chemistry from UC Santa Cruz (2011) with hands-on experience in Research support, protocols, data recording, QC documentation, community engagement.

Your posting emphasizes B.A./B.S.; research support, protocols, community engagement; public-health interest.. My background directly aligns: at Threshold Pharmaceuticals I synthesized and purified organic compounds using NMR and HPLC; at MicroConstants I performed sample extraction, chromatography, and spectroscopic analysis; at Quintara Biosciences I followed GLP for sample preparation, data recording, QC, and equipment maintenance. I also have a publication in ACS Journal of Medicinal Chemistry (Feb 2011).

I live at 21st Ave & Judah St in the Inner Sunset and commute via N Judah Muni and SFMTA buses. Your location at SFDPH research sites, San Francisco (e.g., 101 Grove St / Population Health Division - per posting) is accessible via ZONE C - Civic Center corridor: N Judah eastbound to Civic Center -> short walk to SFDPH sites. ~30-40 min.. I have verified your official careers portal at <https://www.helunahealth.org/> and will apply directly via <https://www.helunahealth.org/> - Careers on helunahealth.org -> search San Francisco Research Associate (CPHR/CSUH postings recur).

My property management experience has strengthened my organizational, budget tracking, and compliance skills - valuable for lab inventory, documentation, and safety protocols. I am detail-oriented, collaborative, and eager to contribute to your team.

Thank you for considering my application. I would welcome the opportunity to discuss how my background in Research support, protocols, data recording, QC documentation, community engagement can support Heluna Health - Research Associate, SFDPH Center for Public Health Research. I am available for an interview at your convenience and can be reached at (707) 596-8503 or Brian.j1274@gmail.com.

Sincerely,
Brian

Match Score: 62% - Fit: Public-health research support uses records/QC discipline; epi/social-science leaning with community fieldwork.

Verified: Heluna Health - Research Associate, SFDPH Center for Public Health Research official site <https://www.helunahealth.org/> - physical address SFDPH research sites, San Francisco (e.g., 101 Grove St / Population Health Division - per posting) - verified
