Hiring Manager
UCSF at Zuckerberg San Francisco General (ZSFG) - Research
1001 Potrero Avenue, San Francisco, CA 94110 (Potrero / Mission)

Dear Hiring Manager,

I am excited to apply for the Staff Research Associate I/II - Clinical & translational research support at UCSF at Zuckerberg San Francisco General (ZSFG) - Research in San Francisco. I hold a B.S. in Chemistry from UC Santa Cruz (2011) with hands-on experience in Sample preparation, data recording, QC, GLP, lab support, organizational skills.

Your posting emphasizes B.S. science; sample prep, data recording, lab support, regulatory awareness.. My background directly aligns: at Threshold Pharmaceuticals I synthesized and purified organic compounds using NMR and HPLC; at MicroConstants I performed sample extraction, chromatography, and spectroscopic analysis; at Quintara Biosciences I followed GLP for sample preparation, data recording, QC, and equipment maintenance. I also have a publication in ACS Journal of Medicinal Chemistry (Feb 2011).

I live at 21st Ave & Judah St in the Inner Sunset and commute via N Judah Muni and SFMTA buses. Your location at 1001 Potrero Avenue, San Francisco, CA 94110 (Potrero / Mission) is accessible via ZONE C - N Judah eastbound to downtown -> 9/9R San Bruno or 22 Fillmore southbound to Potrero Ave; alt: BART to 24th St + free ZSFG shuttle (peak). ~50-65 min. Free UCSF shuttles link campuses.. I have verified your official careers portal at <https://zsfg.ucsf.edu/about-ucsf-zsfg> and will apply directly via <https://careers.ucsf.edu> - Search 'Staff Research Associate' + 'ZSFG' or 'San Francisco General' on careers.ucsf.edu.

My property management experience has strengthened my organizational, budget tracking, and compliance skills - valuable for lab inventory, documentation, and safety protocols. I am detail-oriented, collaborative, and eager to contribute to your team.

Thank you for considering my application. I would welcome the opportunity to discuss how my background in Sample preparation, data recording, QC, GLP, lab support, organizational skills can support UCSF at Zuckerberg San Francisco General (ZSFG) - Research. I am available for an interview at your convenience and can be reached at (707) 596-8503 or Brian.j1274@gmail.com.

Sincerely,
Brian

Match Score: 76% - Fit: B.S. + GLP sample prep/QC/data recording fits UCSF research-support roles; hospital translational labs value organizational skills.
