SFPUC Water Quality facilities, San Francisco (525 Golden Gate Ave admin + treatment-plant labs)

Dear Hiring Manager,

I am excited to apply for the Water Quality Technician (Class 2481) - field & lab water/wastewater analyses at City & County of San Francisco - SFPUC (Water Quality) in San Francisco. I hold a B.S. in Chemistry from UC Santa Cruz (2011) with hands-on experience in Wet chemistry, water analysis, sample collection, QC/QA, chain of custody, data entry, lab safety.

Your posting emphasizes AA with biology/chemistry/microbiology coursework (B.S. exceeds) OR 18 mo water-utility tech experience; CA driver's license.. My background directly aligns: at Threshold Pharmaceuticals I synthesized and purified organic compounds using NMR and HPLC; at MicroConstants I performed sample extraction, chromatography, and spectroscopic analysis; at Quintara Biosciences I followed GLP for sample preparation, data recording, QC, and equipment maintenance. I also have a publication in ACS Journal of Medicinal Chemistry (Feb 2011).

I live at 21st Ave & Judah St in the Inner Sunset and commute via N Judah Muni and SFMTA buses. Your location at SFPUC Water Quality facilities, San Francisco (525 Golden Gate Ave admin + treatment-plant labs) is accessible via ZONE C - Downtown admin: N Judah eastbound direct to Civic Center ~25-30 min. Treatment-plant labs: N Judah -> T-Third south + bus, 45-75 min depending on site. Verify work site on ad.. I have verified your official careers portal at <https://careers.sf.gov/classifications/?classCode=2481> and will apply directly via <https://careers.sf.gov> - Search '2481' or 'Water Quality Technician' on careers.sf.gov; set an alert.

My property management experience has strengthened my organizational, budget tracking, and compliance skills - valuable for lab inventory, documentation, and safety protocols. I am detail-oriented, collaborative, and eager to contribute to your team.

Thank you for considering my application. I would welcome the opportunity to discuss how my background in Wet chemistry, water analysis, sample collection, QC/QA, chain of custody, data entry, lab safety can support City & County of San Francisco - SFPUC (Water Quality). I am available for an interview at your convenience and can be reached at (707) 596-8503 or Brian.j1274@gmail.com.

Sincerely,  
Brian
