job-40 - American Red Cross - SF Blood & Platelet Donation Center (Biomedical Services)

Date: [Insert Date]

Hiring Manager
American Red Cross - SF Blood & Platelet Donation Center (Biomedical Services)
1663 Market Street (at Gough), San Francisco, CA 94103

Dear Hiring Manager,

I am excited to apply for the Blood Collection / Biomedical Support (entry, trained on the job) at American Red Cross - SF Blood & Platelet Donation Center (Biomedical Services) in San Francisco. I hold a B.S. in Chemistry from UC Santa Cruz (2011) with hands-on experience in Specimen handling, sample preparation, data entry, safety compliance, customer care, organizational skills.

Your posting emphasizes Entry collection roles train on the job (phlebotomy); lab testing at regional labs.. My background directly aligns: at Threshold Pharmaceuticals I synthesized and purified organic compounds using NMR and HPLC; at MicroConstants I performed sample extraction, chromatography, and spectroscopic analysis; at Quintara Biosciences I followed GLP for sample preparation, data recording, QC, and equipment maintenance. I also have a publication in ACS Journal of Medicinal Chemistry (Feb 2011).

I live at 21st Ave & Judah St in the Inner Sunset and commute via N Judah Muni and SFMTA buses. Your location at 1663 Market Street (at Gough), San Francisco, CA 94103 is accessible via ZONE B - EASY DIRECT RIDE. N Judah eastbound in the Market St subway to Church station -> short walk to 1663 Market (Market & Gough). ~20-30 min, no transfer.. I have verified your official careers portal at <https://www.redcross.org/local/california/northern-california-coastal.html> and will apply directly via https://americanredcross.wd1.myworkdayjobs.com/American_Red_Cross_Careers - Search Biomedical / Blood Collection + San Francisco on the Red Cross Workday board.

My property management experience has strengthened my organizational, budget tracking, and compliance skills - valuable for lab inventory, documentation, and safety protocols. I am detail-oriented, collaborative, and eager to contribute to your team.

Thank you for considering my application. I would welcome the opportunity to discuss how my background in Specimen handling, sample preparation, data entry, safety compliance, customer care, organizational skills can support American Red Cross - SF Blood & Platelet Donation Center (Biomedical Services). I am available for an interview at your convenience and can be reached at (707) 596-8503 or Brian.j1274@gmail.com.

Sincerely,
Brian

Match Score: 50% - Fit: Healthcare-adjacent bridge - patient/specimen-handling discipline; NOT bench chemistry. Good commute, mission-driven employer.
