Hiring Manager
BridgeBio Pharma - CMC Regulatory Sciences
1800 Owens Street, San Francisco, CA 94158

Dear Hiring Manager,

I am excited to apply for the Sr Manager / Associate Director, CMC Regulatory Sciences - SF (CMC, analytical, regulatory filings; LIVE 5197212007) at BridgeBio Pharma - CMC Regulatory Sciences in San Francisco. I hold a B.S. in Chemistry from UC Santa Cruz (2011) with hands-on experience in CMC regulatory, analytical development, IND/NDA, regulatory filings, ICH, QMS, cross-functional collaboration, QC documentation.

Your posting emphasizes CMC regulatory sciences: analytical development, CMC sections for IND/NDA, regulatory filings, ICH, QMS, cross-functional.. My background directly aligns: at Threshold Pharmaceuticals I synthesized and purified organic compounds using NMR and HPLC; at MicroConstants I performed sample extraction, chromatography, and spectroscopic analysis; at Quintara Biosciences I followed GLP for sample preparation, data recording, QC, and equipment maintenance. I also have a publication in ACS Journal of Medicinal Chemistry (Feb 2011).

I live at 21st Ave & Judah St in the Inner Sunset and commute via N Judah Muni and SFMTA buses. Your location at 1800 Owens Street, San Francisco, CA 94158 is accessible via ZONE B - N Judah -> T-Third to 20th St/UCSF/Chase Center -> walk to 1800 Owens. ~40-50 min.. I have verified your official careers portal at <https://bridgebio.com/careers/> and will apply directly via <https://job-boards.greenhouse.io/bridgebio/jobs/5197212007> - Apply on official Greenhouse board - 5197212007 CMC Regulatory Sciences.

My property management experience has strengthened my organizational, budget tracking, and compliance skills - valuable for lab inventory, documentation, and safety protocols. I am detail-oriented, collaborative, and eager to contribute to your team.

Thank you for considering my application. I would welcome the opportunity to discuss how my background in CMC regulatory, analytical development, IND/NDA, regulatory filings, ICH, QMS, cross-functional collaboration, QC documentation can support BridgeBio Pharma - CMC Regulatory Sciences. I am available for an interview at your convenience and can be reached at (707) 596-8503 or Brian.j1274@gmail.com.

Sincerely,
Brian

Match Score: 70% - Fit: Good - CMC regulatory uses analytical development knowledge plus regulatory writing; senior-level but chemistry-adjacent.
