job-79 - Invitae (a Labcorp company) - clinical genetics

Date: [Insert Date]

Hiring Manager
Invitae (a Labcorp company) - clinical genetics
1400 16th Street, San Francisco, CA 94103 (Mission)

Dear Hiring Manager,

I am excited to apply for the Clinical Lab Technician - Entry level, genetics lab (LIVE; Sun-Thu 3:00pm-11:30pm; \$28.39-35/hr) at Invitae (a Labcorp company) - clinical genetics in San Francisco. I hold a B.S. in Chemistry from UC Santa Cruz (2011) with hands-on experience in Diagnostic lab support, specimen handling, instrument maintenance, QC, data entry, reliability on evenings.

Your posting emphasizes Entry level; specimen/diagnostic lab support; basic instrument familiarity; availability Sun-Thu 3:00pm-11:30pm.. My background directly aligns: at Threshold Pharmaceuticals I synthesized and purified organic compounds using NMR and HPLC; at MicroConstants I performed sample extraction, chromatography, and spectroscopic analysis; at Quintara Biosciences I followed GLP for sample preparation, data recording, QC, and equipment maintenance. I also have a publication in ACS Journal of Medicinal Chemistry (Feb 2011).

I live at 21st Ave & Judah St in the Inner Sunset and commute via N Judah Muni and SFMTA buses. Your location at 1400 16th Street, San Francisco, CA 94103 (Mission) is accessible via ZONE B - From 21st & Judah: N Judah eastbound to Church & Duboce -> J Church southbound to 16th & Church -> walk 1 block east on 16th to 1400 16th St. ~40-50 min.. I have verified your official careers portal at <https://www.invitae.com/> and will apply directly via <https://careers.labcorp.com> - Search 'Invitae' + 'Clinical Lab Technician' + '1400 16th Street' on careers.labcorp.com (official Labcorp portal - Invitae reqs post there); live as of Sept 9, 2026.

My property management experience has strengthened my organizational, budget tracking, and compliance skills - valuable for lab inventory, documentation, and safety protocols. I am detail-oriented, collaborative, and eager to contribute to your team.

Thank you for considering my application. I would welcome the opportunity to discuss how my background in Diagnostic lab support, specimen handling, instrument maintenance, QC, data entry, reliability on evenings can support Invitae (a Labcorp company) - clinical genetics. I am available for an interview at your convenience and can be reached at (707) 596-8503 or Brian.j1274@gmail.com.

Sincerely,
Brian

Match Score: 62% - Fit: Entry-level clinical lab technician in a genetics lab: support diagnostic testing under licensed personnel, instrument/instrumentation health, sample handling, QC - accessible rung at a Fortune 500 lab; evening shift flagged.
