Hiring Manager
General Proximity - Induced Proximity Medicines (OmniTAC Platform)
135 Mississippi Street (MBC BioLabs, Potrero Hill), San Francisco, CA 94107

Dear Hiring Manager,

I am excited to apply for the Laboratory Technician / Operations Manager (Contract) - Lab ops, compound management, cell culture support (LIVE 5807853004) at General Proximity - Induced Proximity Medicines (OmniTAC Platform) in San Francisco. I hold a B.S. in Chemistry from UC Santa Cruz (2011) with hands-on experience in Lab operations, inventory management, compound stocks, buffer/media prep, cell line maintenance, LIMS/ELN, sample preparation, GLP.

Your posting emphasizes B.S. Biology or related + 2+ yrs lab operations supporting 10+ scientists; inventory, compound stocks, buffers/media, cell line maintenance, LIMS/ELN, organization.. My background directly aligns: at Threshold Pharmaceuticals I synthesized and purified organic compounds using NMR and HPLC; at MicroConstants I performed sample extraction, chromatography, and spectroscopic analysis; at Quintara Biosciences I followed GLP for sample preparation, data recording, QC, and equipment maintenance. I also have a publication in ACS Journal of Medicinal Chemistry (Feb 2011).

I live at 21st Ave & Judah St in the Inner Sunset and commute via N Judah Muni and SFMTA buses. Your location at 135 Mississippi Street (MBC BioLabs, Potrero Hill), San Francisco, CA 94107 is accessible via ZONE B - From 21st & Judah: N Judah eastbound to Embarcadero -> T-Third southbound to 22nd St station -> walk east 5 min to 135 Mississippi St (short walk per posting). ~45-60 min. Served by 22, 48.. I have verified your official careers portal at <https://generalproximity.com> and will apply directly via <https://job-boards.greenhouse.io/generalproximity/jobs/5807853004> - Apply on official Greenhouse board (Lab Tech/Ops Manager Contract) - 5807853004.

My property management experience has strengthened my organizational, budget tracking, and compliance skills - valuable for lab inventory, documentation, and safety protocols. I am detail-oriented, collaborative, and eager to contribute to your team.

Thank you for considering my application. I would welcome the opportunity to discuss how my background in Lab operations, inventory management, compound stocks, buffer/media prep, cell line maintenance, LIMS/ELN, sample preparation, GLP can support General Proximity - Induced Proximity Medicines (OmniTAC Platform). I am available for an interview at your convenience and can be reached at (707) 596-8503 or Brian.j1274@gmail.com.

Sincerely,
Brian

Match Score: 78% - Fit: Very good - sample prep, inventory, buffer prep, cell-line handling, and LIMS/ELN discipline from Quintara/MicroConstants maps directly to this lab-ops role; contract-to-hire path in a funded biotech.
