Hiring Manager
Pendulum Therapeutics - Microbiome therapeutics
933 20th Street, San Francisco, CA 94107 (Potrero Hill / Dogpatch edge)

Dear Hiring Manager,

I am excited to apply for the Senior Manager, R&D - Microbiome R&D, CRO management, AI/ML data (LIVE Lever f4ea5cbc-34a6-49c3-901c-30a502bcd926) at Pendulum Therapeutics - Microbiome therapeutics in San Francisco. I hold a B.S. in Chemistry from UC Santa Cruz (2011) with hands-on experience in Microbiome R&D awareness, CRO management, data analysis, team leadership, GLP, lab operations.

Your posting emphasizes PhD microbiology/immunology/biochemistry or related + 5-7 yrs industry; microbiome, CRO management, AI/ML data analysis, team leadership.. My background directly aligns: at Threshold Pharmaceuticals I synthesized and purified organic compounds using NMR and HPLC; at MicroConstants I performed sample extraction, chromatography, and spectroscopic analysis; at Quintara Biosciences I followed GLP for sample preparation, data recording, QC, and equipment maintenance. I also have a publication in ACS Journal of Medicinal Chemistry (Feb 2011).

I live at 21st Ave & Judah St in the Inner Sunset and commute via N Judah Muni and SFMTA buses. Your location at 933 20th Street, San Francisco, CA 94107 (Potrero Hill / Dogpatch edge) is accessible via ZONE B - From 21st & Judah: N Judah eastbound to Embarcadero -> T-Third southbound to 20th St or 22nd St station -> walk west to 933 20th St. ~45-60 min.. I have verified your official careers portal at <https://pendulum.co> and will apply directly via <https://jobs.lever.co/pendulum/f4ea5cbc-34a6-49c3-901c-30a502bcd926> - Apply on official Lever board - Senior Manager R&D f4ea5cbc.

My property management experience has strengthened my organizational, budget tracking, and compliance skills - valuable for lab inventory, documentation, and safety protocols. I am detail-oriented, collaborative, and eager to contribute to your team.

Thank you for considering my application. I would welcome the opportunity to discuss how my background in Microbiome R&D awareness, CRO management, data analysis, team leadership, GLP, lab operations can support Pendulum Therapeutics - Microbiome therapeutics. I am available for an interview at your convenience and can be reached at (707) 596-8503 or Brian.j1274@gmail.com.

Sincerely,
Brian

Match Score: 60% - Fit: Senior-level - microbiome R&D leadership; lab discipline and data analysis transfer but role is management-track, speculative for B.S.
