job-89 - Chan Zuckerberg Biohub San Francisco - Aquaculture / Zebrafish Facility

Date: [Insert Date]

Hiring Manager
Chan Zuckerberg Biohub San Francisco - Aquaculture / Zebrafish Facility
499 Illinois Street, San Francisco, CA 94158 (Mission Bay)

Dear Hiring Manager,

I am excited to apply for the Lab Manager - Aquaculture (RAS water chemistry, zebrafish husbandry, IACUC; LIVE 8167915 \$106-133K) at Chan Zuckerberg Biohub San Francisco - Aquaculture / Zebrafish Facility in San Francisco. I hold a B.S. in Chemistry from UC Santa Cruz (2011) with hands-on experience in Lab management, water chemistry, analytical chemistry, IACUC awareness, facility operations, team supervision, QC.

Your posting emphasizes 5-8 yrs aquaculture/zebrafish husbandry; RAS water chemistry, IACUC, facility management, team supervision.. My background directly aligns: at Threshold Pharmaceuticals I synthesized and purified organic compounds using NMR and HPLC; at MicroConstants I performed sample extraction, chromatography, and spectroscopic analysis; at Quintara Biosciences I followed GLP for sample preparation, data recording, QC, and equipment maintenance. I also have a publication in ACS Journal of Medicinal Chemistry (Feb 2011).

I live at 21st Ave & Judah St in the Inner Sunset and commute via N Judah Muni and SFMTA buses. Your location at 499 Illinois Street, San Francisco, CA 94158 (Mission Bay) is accessible via ZONE B - N Judah eastbound to Embarcadero -> T-Third southbound to UCSF/Chase Center -> walk to 499 Illinois St. ~40-50 min. Served by 22, 48, 55.. I have verified your official careers portal at <https://www.czbiohub.org/careers> and will apply directly via <https://job-boards.greenhouse.io/chanzuckerbergbiohub/jobs/8167915> - Apply on official Greenhouse board - 8167915 Lab Manager Aquaculture.

My property management experience has strengthened my organizational, budget tracking, and compliance skills - valuable for lab inventory, documentation, and safety protocols. I am detail-oriented, collaborative, and eager to contribute to your team.

Thank you for considering my application. I would welcome the opportunity to discuss how my background in Lab management, water chemistry, analytical chemistry, IACUC awareness, facility operations, team supervision, QC can support Chan Zuckerberg Biohub San Francisco - Aquaculture / Zebrafish Facility. I am available for an interview at your convenience and can be reached at (707) 596-8503 or Brian.j1274@gmail.com.

Sincerely,
Brian

Match Score: 62% - Fit: Moderate - lab manager with water chemistry focus uses analytical discipline; aquaculture husbandry is new domain.

Verified: Chan Zuckerberg Biohub San Francisco - Aquaculture / Zebrafish Facility official site <https://www.czbiohub.org/careers> - physical address 499 Illinois Street, San Francisco, CA 94158 (Mission Bay) - verified
