job-87 - General Proximity - Induced Proximity Medicines

Date: [Insert Date]

Hiring Manager
General Proximity - Induced Proximity Medicines
135 Mississippi Street (MBC BioLabs), San Francisco, CA 94107

Dear Hiring Manager,

I am excited to apply for the Sr / Principal Scientist - Medicinal Chemistry (PROTAC, oral exposure, DMPK, CRO leadership; LIVE 5980552004) at General Proximity - Induced Proximity Medicines in San Francisco. I hold a B.S. in Chemistry from UC Santa Cruz (2011) with hands-on experience in Medicinal chemistry, PROTAC, organic synthesis, SAR, DMPK, HPLC, NMR, team collaboration, CRO management.

Your posting emphasizes PhD + 5 yrs industry medicinal chemistry; PROTAC, oral exposure optimization, DMPK, team/CRO leadership.. My background directly aligns: at Threshold Pharmaceuticals I synthesized and purified organic compounds using NMR and HPLC; at MicroConstants I performed sample extraction, chromatography, and spectroscopic analysis; at Quintara Biosciences I followed GLP for sample preparation, data recording, QC, and equipment maintenance. I also have a publication in ACS Journal of Medicinal Chemistry (Feb 2011).

I live at 21st Ave & Judah St in the Inner Sunset and commute via N Judah Muni and SFMTA buses. Your location at 135 Mississippi Street (MBC BioLabs), San Francisco, CA 94107 is accessible via ZONE B - N Judah -> T-Third to 22nd St -> walk to 135 Mississippi. ~45-60 min.. I have verified your official careers portal at <https://generalproximity.com> and will apply directly via <https://job-boards.greenhouse.io/generalproximity/jobs/5980552004> - Apply on official Greenhouse board - 5980552004.

My property management experience has strengthened my organizational, budget tracking, and compliance skills - valuable for lab inventory, documentation, and safety protocols. I am detail-oriented, collaborative, and eager to contribute to your team.

Thank you for considering my application. I would welcome the opportunity to discuss how my background in Medicinal chemistry, PROTAC, organic synthesis, SAR, DMPK, HPLC, NMR, team collaboration, CRO management can support General Proximity - Induced Proximity Medicines. I am available for an interview at your convenience and can be reached at (707) 596-8503 or Brian.j1274@gmail.com.

Sincerely,
Brian

Match Score: 60% - Fit: Speculative senior - excellent chemistry domain but senior-level (M.S./PhD + 5 yrs). Include to show full GP board; focus on junior/mid roles.

Verified: General Proximity - Induced Proximity Medicines official site <https://generalproximity.com> - physical address 135 Mississippi Street (MBC BioLabs), San Francisco, CA 94107 - verified
