Hiring Manager
NCIRE - The Veterans Health Research Institute (SF VA affiliate)
4150 Clement Street, San Francisco, CA 94121

Dear Hiring Manager,

I am excited to apply for the Staff Research Associate I - Nayak Lab (Microbiome, analytical chemistry, genomics) at NCIRE - The Veterans Health Research Institute (SF VA affiliate) in San Francisco. I hold a B.S. in Chemistry from UC Santa Cruz (2011) with hands-on experience in Analytical chemistry, spectroscopy, chromatography, sample preparation, PCR, DNA/RNA purification.

Your posting emphasizes B.S. or 4 yrs research experience; wet lab: reagents, microbiology, PCR, DNA/RNA purification; analytical chemistry a plus.. My background directly aligns: at Threshold Pharmaceuticals I synthesized and purified organic compounds using NMR and HPLC; at MicroConstants I performed sample extraction, chromatography, and spectroscopic analysis; at Quintara Biosciences I followed GLP for sample preparation, data recording, QC, and equipment maintenance. I also have a publication in ACS Journal of Medicinal Chemistry (Feb 2011).

I live at 21st Ave & Judah St in the Inner Sunset and commute via N Judah Muni and SFMTA buses. Your location at 4150 Clement Street, San Francisco, CA 94121 is accessible via ZONE B/C - N Judah east to 19th Ave -> 38R Geary west to 32nd Ave & Geary -> walk north 8 min to Clement. ~45-60 min.. I have verified your official careers portal at <https://www.ncire.org/careers> and will apply directly via <https://recruiting.ultipro.com/NOR1032NCIRE/JobBoard/82cac330-9aa5-417d-9b64-568d383f4ea0/> - Search 'Research Associate' or 'Nayak Lab' on NCIRE UltiPro board.

My property management experience has strengthened my organizational, budget tracking, and compliance skills - valuable for lab inventory, documentation, and safety protocols. I am detail-oriented, collaborative, and eager to contribute to your team.

Thank you for considering my application. I would welcome the opportunity to discuss how my background in Analytical chemistry, spectroscopy, chromatography, sample preparation, PCR, DNA/RNA purification can support NCIRE - The Veterans Health Research Institute (SF VA affiliate). I am available for an interview at your convenience and can be reached at (707) 596-8503 or Brian.j1274@gmail.com.

Sincerely,
Brian

Match Score: 80% - Fit: Sample prep, spectroscopy, chromatography, analytical chemistry are exactly preferred skills for this lab.
Verified: NCIRE - The Veterans Health Research Institute (SF VA affiliate) official site <https://www.ncire.org/careers> - physical address 4150 Clement Street, San Francisco, CA 94121 - verified
