Hiring Manager
City & County of San Francisco - SFPUC
SFPUC Water Quality Lab, San Francisco (525 Golden Gate Ave admin + Southeast plant lab)

Dear Hiring Manager,

I am excited to apply for the Chemist (Job Class 2486) - Water Quality Laboratory (GC-MS, ICP, HPLC) at City & County of San Francisco - SFPUC in San Francisco. I hold a B.S. in Chemistry from UC Santa Cruz (2011) with hands-on experience in B.S. Chemistry, HPLC, GC-MS, ICP, spectroscopy, wet chemistry, QC, data analysis.

Your posting emphasizes B.S. majoring in chemistry or closely related lab science; CA driver's license; GC-MS/ICP experience preferred.. My background directly aligns: at Threshold Pharmaceuticals I synthesized and purified organic compounds using NMR and HPLC; at MicroConstants I performed sample extraction, chromatography, and spectroscopic analysis; at Quintara Biosciences I followed GLP for sample preparation, data recording, QC, and equipment maintenance. I also have a publication in ACS Journal of Medicinal Chemistry (Feb 2011).

I live at 21st Ave & Judah St in the Inner Sunset and commute via N Judah Muni and SFMTA buses. Your location at SFPUC Water Quality Lab, San Francisco (525 Golden Gate Ave admin + Southeast plant lab) is accessible via ZONE C - Downtown admin: N Judah east direct to Civic Center ~25-30 min. Southeast lab: N Judah -> T-Third south to Bayview/Southeast plant + bus. 45-75 min depending on site.. I have verified your official careers portal at <https://careers.sf.gov/classifications/?classCode=2486> and will apply directly via <https://careers.sf.gov> - Search 'Chemist' or '2486' on careers.sf.gov - official City portal.

My property management experience has strengthened my organizational, budget tracking, and compliance skills - valuable for lab inventory, documentation, and safety protocols. I am detail-oriented, collaborative, and eager to contribute to your team.

Thank you for considering my application. I would welcome the opportunity to discuss how my background in B.S. Chemistry, HPLC, GC-MS, ICP, spectroscopy, wet chemistry, QC, data analysis can support City & County of San Francisco - SFPUC. I am available for an interview at your convenience and can be reached at (707) 596-8503 or Brian.j1274@gmail.com.

Sincerely,
Brian

Match Score: 88% - Fit: B.S. Chemistry + HPLC/GC/spectroscopy/water testing aligns perfectly with analytical chemistry background.
