Dear Hiring Manager,

I am excited to apply for the Laboratory Assistant - Clinical Lab Support (entry, non-licensed) at Kaiser Permanente - San Francisco Medical Center in San Francisco. I hold a B.S. in Chemistry from UC Santa Cruz (2011) with hands-on experience in Sample preparation, data recording, lab safety, GLP awareness, organizational skills.

Your posting emphasizes Entry lab support; CLS/MLT roles require CA license; Lab Assistant more accessible.. My background directly aligns: at Threshold Pharmaceuticals I synthesized and purified organic compounds using NMR and HPLC; at MicroConstants I performed sample extraction, chromatography, and spectroscopic analysis; at Quintara Biosciences I followed GLP for sample preparation, data recording, QC, and equipment maintenance. I also have a publication in ACS Journal of Medicinal Chemistry (Feb 2011).

I live at 21st Ave & Judah St in the Inner Sunset and commute via N Judah Muni and SFMTA buses. Your location at 2425 Geary Boulevard, San Francisco, CA 94115 is accessible via ZONE A/B - N Judah to 9th Ave & Irving -> 38 Geary or 38R Geary eastbound to Geary & Divisadero (Kaiser). ~25-35 min. 38R fastest cross-town..
